Southwest Livingston CO R-I 4th Grade Visits State Capitol

JEFFERSON CITY _ Dawn Black and her 4th grade class from Southwest LIV CO R-I and parents visited Jefferson City on Tue., April 26. They stopped by to meet and visit with Rep Lair, watched the “Civil War Archives Alive” program at the Secretary of State’s Office, and had tours of the Whispering Gallery, Capitol Dome, and the Governor’s Mansion before heading back home. The class mailed letters to Rep Lair’s Capitol Office prior to their visit asking him questions ranging from “what is it like to do your job” to questions about the MO State Flag, the other Capitol Buildings that were destroyed by fire and “can a really smart kid get a job like yours?”
