Lair Appointed to Special Standing Committee on Judicial Reform

CHILLICOTHE – Today, it was announced that State Representative Mike Lair has been appointed to the Special Standing Committee on Judicial Reform. The Committee will be in charge of examining ways to improve our judiciary and help ensure our courts continue to serve the people of Missouri.

“It is an honor to serve on the Special Standing Committee on Judicial Reform. There is no secret that our judiciary has its fair share of problems, especially with the ongoing redistricting debacle. I look forward to the opportunity to help formulate solutions to these problems,” said Lair. “It is paramount that our courts are home to the most competent judges possible and that our judiciary serves all the people of Missouri, not just a narrow group of special interests. By working on reforms to keep our courts accountable, I hope that we can fix our judiciary and once again make it a model for the rest of the nation.”

Lair was elected in 2008 and re-elected for a second term in 2010. He plans to seek re-election for a third term in 2012.
